### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

---

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Net Assets*

Net assets, revenues, gains, and losses are classified into one of three classes of net assets based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Living Justice Society are classified and reported as follows:

***Unrestricted*** - Net assets that are not subject to donor-imposed stipulations.

***Temporarily Restricted*** - Net assets that result from contributions whose use by Living Justice Society is limited by donor-imposed stipulations that either expire with the passage of time or can be fulfilled and removed by actions of Living Justice Society pursuant to those stipulations.

***Permanently Restricted*** - Net assets resulting from contributions with donor-imposed stipulations that require Living Justice Society to hold the gift in perpetuity. There were no permanently restricted net assets at June 30, 2015.

*Interest in Cash*

Living Justice Society participates in a pooled cash account with an interdiocesan entity. This account sweeps daily to a zero balance. The total of the pooled cash account, at times, may exceed federally insured limits. Living Justice Society has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

---

*Contribution Recognition*

Contributions are recognized as revenue when they are received or unconditionally pledged. Contributions that are unrestricted by the donor are reported as increases in unrestricted net assets. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by Living Justice Society.

In connection with its annual budget process, Living Justice Society is made aware of an estimated grant for its support from The Catholic Foundation for the Diocese of Green Bay, Inc. (the Foundation). Management does not consider this estimated grant as an unconditional promise to pay by the Foundation. The grant is recorded as revenue in the year in which it is actually received.

*Tax-Exempt Status*

Living Justice Society has received notification that it qualifies as a tax-exempt organization under Section 501(c)(3) covered by the U.S. Internal Revenue Service group exemption letter of the United States Conference of Catholic Bishops and corresponding provisions of state law and, accordingly, is not subject to federal or state income taxes.

*Subsequent Events*

In preparing these financial statements, Living Justice Society has evaluated events and transactions for potential recognition or disclosure through September 8, 2015, the date the financial statements were available to be issued.
